

Holy Cross Christian Nursery School June 2023 Newsletter

It seems like just yesterday that this school year was beginning and now it's June, with only twelve days left of school. This has been a return to a more normal school year atmosphere, with parents being able to visit classrooms again. We cannot thank you enough for sharing your children with us this year and entrusting us with their care! Thank you to each parent, grandparent and extended family member for your dedication and enthusiasm to your child's preschool experience and to our school!

and Wednesday's ceremony begins at 10:00 a.m.

Children should be dropped off at 9:00 a.m. BOTH days.

LAST CALL FOR Summer Camp Program

Don't forget to turn in your registration form for our Summer Camp. You can attend for one week or all four. Come and have some fun with us this summer!

Vacation Bible School for Holy Cross Church is July 10th—14th. You can get a registration form from the office or download it on the church's website at HolyCrossLutheranNJ.com.

Just a quick reminder to parents to always check your children for ticks. It's that time of year again, and ticks are everywhere. Even though our playground is sprayed for ticks and other bugs, it's always a good idea to give them a quick tick check when your children come home from school, the park, and the soccer fields!

PLEASE SPREAD THE WORD.....Help Wanted!

Based on our current enrollment for aftercare next school year, we will be looking for a childcare worker, in the afternoon. If you or someone you know is looking for a part-time position, for only a couple of hours a day, PLEASE have them contact the school 732-255-3112.

Interested in becoming a substitute?

There are opportunities throughout the year for a parent/grandparent of a student to substitute in one of our classrooms from time to time. In addition to an hourly wage, we offer tuition credit of \$1 per hour for each hour worked up to a maximum credit of 50% of tuition for any given month. If you are interested, please contact Mrs. Kane for further details and requirements.

FROM THE OFFICE OF MRS. KANE

Keep Practicing This Summer!

Throughout the school year all our students work on lots of skills that will help them be successful in kindergarten. It's a long summer, and without any reinforcement of these skills, a lot can be easily lost!

Especially for our PreK parents, it is important to continue to practice math concepts (shapes, counting and sorting), along with recognizing and writing letters and numbers.

Have your children do some fun fine motor activities as well – cutting, gluing things, coloring and making objects using play doh are all good.

Happy Father's Day on June 18th to all our wonderful Dads and Grandfathers!!

Have a safe, healthy and enjoyable summer. If you are returning in September, we will be in touch via email over the summer months and if you are "moving on" from Holy Cross after June, keep in touch with us.....We will miss you!
