

Holy Cross Christian Nursery School June 2026 Newsletter

And just like that, another school year is over! It seems like only yesterday that the school year began and now it's June with only 10 more days left. The staff and I cannot thank you enough for sharing your children with us this past year and entrusting us with their care! Thank you to each parent, grandparent, and extended family member for your dedication and enthusiasm to your child's preschool experience and to our school!

Although damp and soggy, Field Day (indoors) was officially full of food and fun. Thank you to Scott Cullen for feeding everyone in honor of Eva's PreK Graduation ~ we appreciate you!

Vacation Bible School for Holy Cross Church is July 13th–16th.. You can get a registration form from the church office or download it on the church's website at HolyCrossLutheranNJ.com. Registration fees: **\$10** for ONE child and **\$5** for each additional child in the same family

Kids will become Challengers, gearing up for frosty games, snowy surprises, and hands-on lessons about resilience and faith. Guided daily by Ollie the Arctic Seal, who is reporting on the events, Challengers aren't just playing games; they learn to draw strength from their faith through powerful stories of courage and hope. With a unique winter games theme filled with snowboards and ski lifts and solid theology at its core, this VBS delivers joy and meaning in equal measure, teaching kids that "I can do all things through him who strengthens me" (Philippians 4:13 NRSV).

Have a safe, healthy and enjoyable summer. If you are returning in September, we will be in touch via email over the summer month and if you are "moving on" from Holy cross after June, keep in touch with us—we will miss you!

Summer office hours

The office is open part time in the summer. Please leave a message and someone will return your call. Email is checked regularly.

Keep Practicing This Summer!

Throughout the school year all our students work on lots of skills that will help them be successful in kindergarten. It's a long summer, and without any reinforcement of these skills, a lot can be easily lost! Especially our PreK parents, it is important to continue to practice math concepts (shapes, counting and sorting, etc.) along with recognizing and writing letters and numbers. Have your children do some fine motor activities as well ~ cutting, gluing things, coloring and making objects using Play-Doh are all good activities.

From the Desk of Mrs. Kane

This time of year, although usually happy and celebratory, can also be bittersweet. We will say goodbye to Mrs. Murray this year and wish her fond wishes for an enjoyable retirement after 25 years at Holy Cross. Mrs. Palmer will be leaving as well, relocating her family to Florida. We thank both of these ladies for sharing their time and talents with the nursery school ~ you will be missed!

Last, but certainly not least, I am very happy to let you know that a new director has been found! Her name is Mrs. Lorraine Poling. We are currently working on scheduling a Meet & Greet with staff and parents before the end of the school year. Detailed information to follow.
